To Whom It May Concern,

I am pleased to write this letter of recommendation for Sudhanshu Sunil Deshmukh, who interned with us as an AI Intern at Ready Mediacom from 04th September 2024 to May 22, 2025. During this period, he demonstrated a strong work ethic, technical proficiency, and a remarkable ability to learn and make meaningful contributions to our development and creative projects.

Sudhanshu played an active role in developing and enhancing AI-driven applications and tools, showing not only a solid grasp of AI concepts but also an eagerness to take initiative and solve real-world challenges. His contributions directly supported our project goals and helped accelerate our development timeline.

One of the most commendable aspects of his internship was the willingness to collaborate, share ideas, consistently deliver work, adaptability, and a growth mindset that added value to our team and overall company growth.

I am confident that Sudhanshu will be a valuable asset to any organization he chooses to join in the future, and I highly recommend him for roles in AI development, research, or related areas.

We wish him the very best for the future and are confident that he will continue to make a significant impact wherever he goes.

Yours sincerely,

Chiranjeevi Maddala
